

BodiGard

Work Safe Be Safe

BodiGard is the innovative new generation healthcare product, the **first** of its kind to be launched in **UAE** and the **MIDDLE EAST**.

BodiGard aims to raise the comfort, safety and sustainability **benchmark** for the healthcare Industry.

COMFORT

-  Light Weight
-  Insulated
-  Breathable
-  Odor Control

INNOVATIVE YARN

- Exclusive yarn made in France
- Combined with embedded silver ions from Sanitized®, the globally trusted brand
- Dynalen® yarn is based on PP with specific functional characteristics protecting from Virus related diseases

ANTI-BACTERIAL / SARS COV2 PROTECTION

The fabric has been tested and certified to show a 99.99% reduction on Staphylococcus Aureus and 99.90% reduction on Human Coronavirus 229E

SAFETY

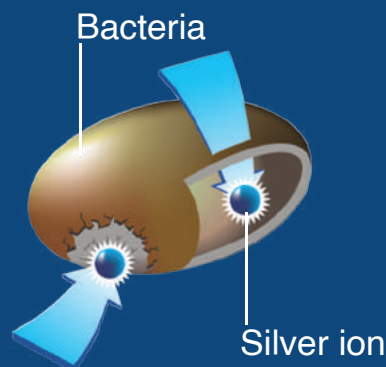

-  Ultimate Virus protection 99.90%
-  Antibacterial 99.99%
-  **OEKO-TEX®** certified
-  Liquid repellent

OEKO-TEX®

CONFIDENCE IN TEXTILES

STANDARD 100 

The fabric is OEKO-TEX certified free from chemicals and safe for human use, for over a 100 substances known to be harmful to human health.

This is the effect silver has on bacteria:

- . Cell membrane is destabilized
- . Respiration is prohibited
- . Food (nutrient) intake is impeded
- . Cell division is inhibited

SUSTAINABLE

-  100% Recyclable
-  No Dye Used
-  41% Reduction In Blue Water
-  28% In Energy Deduction
-  30% Reduction In Greenhouse Gas Emission

COST-EFFECTIVE

When you choose reusables, you reduce waste costs! Reusables are the smart and responsible choice.

The math is simple!

100 disposable gowns or one reusable gown?!

<p>Disposable</p>  <p>Single use</p>	<p>Polyster Cotton</p> <div style="border: 1px dashed black; padding: 5px;"> <p>Upto 60 washes</p>  <p>Not recyclable</p> </div>
<p>Up to 100 washes!</p> 	<p>100% Recyclable</p>

MADE IN UAE

To ensure we maintain the highest level of quality the products are manufactured in the UAE under the strictest hygiene standards.
